

**Infobip**  
**Senior Developer/Team Leader**  
**Belgrade/Novi Sad**

---

Infobip is a world leader in mobile messaging. We pride ourselves on our ability to provide specialized messaging products and solutions to operators worldwide.

Our entire portfolio is designed in-house and draws on our extensive experience, taking into account specific requirements of our clients and partners. Our regional approach coupled with our dedicated development resource enables us to provide operators worldwide with carrier-grade quality, reliability and flexibility. For more information, visit our corporate web site at [www.infobip.com](http://www.infobip.com).

As our business expands, we are seeking to recruit new members to join our team of enthusiastic and committed **Information Technology** experts. As part of this team you will be at the forefront of telecommunication developments and responsible for developing and maintaining world leading products using the latest technology.

As **Senior Developer**, you will design, develop and maintain C/C++ Java applications.

**Position Responsibilities:**

- Design, development and maintenance of Java applications
- Development of high performance IP network services
- Assistance to the IT Director in product updates and training and exhibitions organization

**Position Qualifications:**

- Minimum three years of experience
- Excellent knowledge of Java and C/C++ programming languages
- Good knowledge of network communication and protocols
- Knowledge of telecommunications preferred but not a condition
- Good knowledge of English language (in writing)
- Knowledge of design patterns
- Ability to work independently and master new knowledges and skills
- Excellent organizational skills, flexibility, dynamic personality
- Ability to work as a team member is a must

At Infobip, we encourage people to excel by rewarding initiative and leadership. We invite everyone who is enthusiastic, and committed to work, to join our dynamic company.

**HOW TO APPLY:** All applicants are required to send a CV and an application letter in English to [careers@infobip.com](mailto:careers@infobip.com).

Note: Infobip is an equal opportunity employer.
